

Private Swim Lesson Request Form

Private Lessons are reserved for adult and adaptive requests only. All other requests will only be granted if schedules permit. Sessions will be booked in blocks of four 30-minute classes.

Please return this form to the Harvard Recreation Center Program Desk or email it to rec@cityofnampa.us. Requests will be filled based on date submitted, facility schedule, and instructor availability. You will then be contacted and paired with an American Red Cross certified instructor who will best meet the needs of the student.
